Success Stories

Purdue Extension – Grant County

“Purdue Extension is the best-kept secret in the county.”

We hope not! Success stories are designed to give you, the reader, a “quick read” about a program that has shown some success lately.

We will be adding success stories periodically so that you can keep up with what we’re doing.

If you have questions about Purdue Extension programs, please contact us at:

Knowledge to Go

Grant County

This client was referred to EFNEP by Early Head Start. She completed the Have a Healthy Baby program with me several years ago. She was so excited that I was coming back to see her. She cooked something every appointment. She was always there or she would call if she needed to cancel. She told me several times how much she appreciated me coming to show her how to cook. She just completed her Certified Nursing Assistant (CNA) classes and was looking for a job. I encouraged her each week. I think I may have been the only one encouraging her, as her family and friends did not appear to be much help. She really enjoyed the classes and wants to take more when available. I will miss seeing her each week but know that she is better equipped to take care of her 2 year-old son.

Author: Vicki Shafer, Family Nutrition Advisor
Expanded Food and Nutrition Education Program (EFNEP)

PURDUE AGRICULTURE

It is the policy of the Purdue University Cooperative Extension Service that all persons have equal opportunity and access to its educational programs, services, activities, and facilities without regard to race, religion, color, sex, age, national origin or ancestry, marital status, parental status, sexual orientation, disability or status as a veteran. Purdue University is an Affirmative Action institution. This material may be available in alternative formats.
