Enjoy giving back to your community? Interested in becoming a leader? Want to learn more about community service grants? If so, then YPIJC is just for you. You could be a part of the Action Board, and work with other youth who are also passionate about philanthropy in their communities.

YPIJC empowers young people as community leaders who give their time, talent and treasure for the common good.

The program equips young people with opportunities, resources, and tools to solve serious community issues while developing a lifelong commitment to philanthropy.

Being a part of the Action Board is great for future applications and resume building. You also have the opportunity to be on the Youth Connections Board of Directors as a youth trustee!
