

4-H SEWING WORKSHOP

Saturday April 25, 2009

Center Grove High School Sewing Lab
Noon to 1:00: Beginners (Levels A & B)

1:00 to 4:00: All Levels

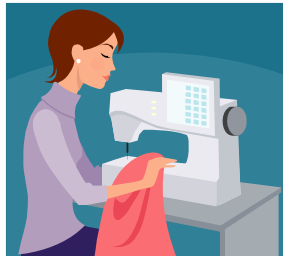

Bring EVERYTHING with you – pattern, fabric, pins, scissors, interfacing, zipper, elastic, thread, buttons, etc.

WORKSHOP GOALS:

To give you a GOOD START on your 4-H Project(s).

To make sure you get your project the right size (just because you wear a 10 doesn't mean you cut a 10 from your pattern).

To make sure your fabric is "Project Appropriate."

Hopefully, we'll be able to get you started sewing too!!

Additional Sewing Workshops are scheduled:
June 12 and 26. Time to be announced.

For questions and a "reservation," please e-mail Brenda Briggs at brebriggs@aol.com to make sure we will have enough experienced sewers on hand.
