The purpose of the Lake County Indiana Master Gardener Scholarship is to promote the objectives of the organization by providing scholarships to Lake County students in the majors listed below. Scholarships of up to \$2500 have been awarded in the past. Awards are dependent on funds available and the number of applicants during any given award year.

Eligibility

- Resident of Lake County, Indiana.
- Declared major in Horticulture, Landscape Architecture, Forestry, Botany (Horticulture Equivalent), Plant Pathology, or Entomology. Other majors that benefit consumer gardening may be considered if the applicant provides a one paragraph description of how they will use their major to promote the objectives of the Master Gardeners.
- Demonstrated past academic success.
- Submission of completed application form including all attachments by February 15, 2010.

Application Process

- Submit this application with all attachments no later than February 15, 2010 for consideration. You will receive a response from the committee, in writing, on or before April 1st. Submit your materials to the Lake County Cooperative Extension Service office at the address below.
- On a separate sheet of paper, attached to this form, provide responses to the following:
 1. A statement identifying your academic major and anticipated year of graduation.
 2. A paragraph highlighting your academic achievements.
 3. A paragraph detailing your career goals and objectives.
- Attach the following to this form:
 1. A current official copy of your college transcript. Your official college transcript should indicate your degree objective and major. If it does not, you must also submit confirmation of your major, such as a letter from the registrar or other college administrator.
 2. A letter of recommendation from a professor in your academic major.
