

Mini 4-H Ceramics

ALL DIVISIONS

Sponsored by the Hendricks County Cooperative Extension Service 4-H & Youth Programs

Welcome to the Mini 4-H Ceramics Project!

The Mini 4-H Ceramics is a special project. Ceramics is the only project where you attend a workshop at a Ceramic Shop. It will take at least two visits to complete a ceramic project. Visits can be planned with the shop owner. The total cost for your project will be approximately \$7.00 which includes clay, paint, glazes and instructor fees. This cost is payable at the first visit to the shop.

What you will make and exhibit:

1st Graders – exhibit one ceramic item with a water-based stain.

2nd Graders – exhibit one ceramic item with a glaze.

Be sure to have your name, grade and township on your exhibit.
