

What is 4-H?

4-H is an out-of-school, family oriented, volunteer club for all youth in grades one through twelve.

4-H is for all youth whether they live in town or in the country.

4-H is learning about a variety of interests through projects, trips, judging, speaking, and community service programs.

As a result of joining a **4-H** club, you will:

Learn, make, invent, create, or encourage something to grow. Anything interesting to you can be learned in **4-H**.

In **4-H**, you will make new friends. Make your community a friendlier place. Have fun and increase your knowledge in a variety of areas.

4-H membership is open to all youth in grades one through twelve, regardless of ethnic background, religion, sex, race, nationality or disability.

To join a 4-H club, call any 4-H leader listed or the Purdue CES Office at 499-6334.

What are 4-H Projects?

A 4-H project is what a 4-H'er does while enrolled in 4-H. Projects may be exhibited at the LaGrange County Fair.

These are only of a few of the projects available through 4-H:

Aerospace
Arts & Crafts
Cake Decorating
Cat
Computer
Creative Writing
Dog
Electric
Entomology
Horse & Pony
Horseless Horse
Lawn & Garden Tractor
Photography
Poultry
Reading
Recycling
Scrapbook

Wildlife
Wood Science
Junior Leaders
And many more not listed.

Activities

4-H Roundup
Share the Fun
Judging
4-H Science & Career Workshops
Contests
Trips

If you have a special interest, we probably have a club or program that will enhance your knowledge or enjoyment of it.

The mission of 4-H is to help youth acquire knowledge, develop life skills, and form attitudes that will enable them to become self-directing, productive, and contributing members of society.

This mission is carried out through the involvement of parents, volunteer leaders and other adults who organize and conduct educational experiences in community and family settings.
