TEN COMMANDMENTS FOR PARENTS OF YOUNGSTERS SHOWING LIVESTOCK

1. Thou shalt not feed, train, and care for the animal for thou art trying to teach thy child responsibility.
2. Thou shalt forgive thy child for making mistakes in the show ring for thou hast made mistakes too.
3. Thou shalt not get mad when the child forgets items in the showbox, for one day thou might forget the showbox.
4. Thou shalt help the show management for they are doing a job that thou would not want to do.
5. Thou shalt see that thy child is on time for all show activities for thou would not want to wait on another.
6. Thou shalt make sure thy child has animals entered and registration papers in order by the designated time.
7. Thou shalt teach the child that winning a blue ribbon is a desirable goal but making friends along the way is a more worthy goal.
8. Thou shalt not complain about the judge for it is his/her opinion that has been sought.
9. Thou shalt remember that livestock projects are teaching projects, not necessarily money-making projects.
10. Thou shalt remember that the livestock project is a family project that shall be enjoyed and supported by the entire family.

- Clyde D. Lane, Jr., Extension Specialist, University of Tennessee

A blue-ribbon 4-H'er with a red-ribbon project is better than a red-ribbon 4-H'er with a blue-ribbon project.
