

This is a reminder that the **2009 National Association of Community Development Extension Professionals [NACDEP] Conference will be held April 20-22, in San Diego, CA.** Purdue Extension Educators and Specialists have been key supporters of NACDEP in its beginning years.

As the IEEA Economic and Community Development Section Chair, I encourage you attend this conference, if you can work it into your spring schedule.

The conference website is: <http://www.nacdep.net/confs/2009/Conf2009.htm> The Early Bird registration deadline is March 13. Extension staff and faculty who have not paid their 2009 NACDEP dues may join at the registration website, for \$75.

In order to help with Purdue Extension delegation arrangements, please let me know as soon as possible, if you will be attending this conference, and your travel/hotel plans. I will distribute this list to those attending.

I know that late April is a very busy time of year for most of us, but I hope that several from Indiana can attend.

Thank you,
Bryan Metzger
IEEA – ECD Section Chair
