Re: ESP Nifty 50's Fall Fling

Who can think of fall when we haven't had summer yet? We can! Plans have been made to go to Pokagon State Park on beautiful Lake James in northern lakes country on October 1-2, 2009.

Our first day (October 1) will start with registration at 9:30 a.m. at the *Wild Winds Buffalo Preserve*. We'll hop on a truck to ride into the fields to see a large herd of buffalo and we'll hear stories about the preserve and the buffalos. We will then have a *buffalo and noodle* lunch. Our other visits for the first day include free samples at the *Satek Winery*, a delightful *one room schoolhouse* and *Greenfield Mills - a working flour mill*. Dinner will be a group buffet in the beautiful *Potawatomi Inn* at Pokagon State Park.

The next morning (October 2) will be a tour of the *Curtis Creek Trout Rearing Station* in the Pigeon River Fish and Wildlife area.

A reservation form is enclosed. *Please note the special information about lodging at the State Park.*

Special Note: Cathy Seymoure is our tour guide.... Thanks Cathy for a GREAT job!

Special Note II: By now you have all received a mailing from the Purdue Retirees Association Newsletter - - - The Hansen Award.....we got it again!!
