

Smart Growth Planning and Implementation Opportunities in LaPorte County

Development decisions impact each of our everyday lives. Communities across the country are developing and implementing strategies that strike a balance between economic, social and environmental issues. What, where, and how communities build will affect residents' lives for generations to come. The Lake Michigan Coastal Program and Purdue University Cooperative Extension Service will be hosting a brief meeting to discuss Smart Growth planning and implementation opportunities in LaPorte County and its communities.

Wednesday, June 25, 2008
Purdue University Cooperative Extension Service
LaPorte County Office
2358 N US Highway 35
LaPorte, IN 46350
