- Understanding Hip Hop
- Speaker – ways excellent, very relatable
- Hip Hop and how it relates to our young people. Hip Hop is now an industry, a very influential industry. The Hip Hop House encourages young people to be leaders and philanthropist. Teaches how to use their wealth to bless others.
- Encouraging youth to be actively involved in doing programs for themselves.
- Talking in the microphone
- How Hip Hop can be positive

What topics do you still have questions about?

- Still have to think more about how the "assets" sheet relates to the above
- How to keep the youth on a positive note regarding Hip Hop
- Philanthropy
- Philanthropic group Hip Hop – how do set up the same program in your own community.
- The different youth resources
- How to persuade people to give to your cause

What was the most important thing you learned in this session?

- The "other side" of Hip Hop
- Really liked the philanthropy idea for youth group activities
- Listening to our youth
- How Hip Hop affects our youth
- Youth as Resources information
- How to approach people and request donations for a cause. Find out what's important to you, find a cause.
- Take this back to my children and find out what groups or interests
- About giving to others and causes
- Giving to a cause is very important

What do you plan to do differently as a result of today's program?

- Build bridge from bad to good without "resisting"
- Take information back to Youth Council at church
- Try a little patience
- Try to understand Hip Hop and why our youth are drawn to it.
- Ask for clarify when not understanding game instructions.
- Look into programs that are helping people today. Get involved, help get young people involved.
- Become more involved in children lives other than my own children
- Everything was informative.
- Give!!
