

VISIONING ACTIVITY

The year is 2014. A local talk show host has asked your permission to randomly select five individuals to discuss the impact of your County's Expanded Food and Nutrition Education Program. The talk show host selected the following individuals: a current participant, a county commissioner, a collaborating agency leader, your Congressman and the NC Cooperative Extension Director.

Directions: With your group, think about the year 2014 and what you want the panelists to say about your program. Discuss with your group and record your answers here.

Current Participant: _____

County Commissioner: _____

Collaborating Agency Leader: _____

Congressman: _____

State Extension Director: _____
