outside

Camp Location

In cooperation with:

- Wayne University Department of Agricultural Engineering & Somers County Safety Council
- Somers County Farm Bureau
- Big Boy's Place

Saturday, April 22
Somers County Fairgrounds
Somerset, NY

Preventing Injuries Through Education

The purpose of this one-day camp is to help prevent injuries by teaching children age-appropriate safety skills and providing them with a valuable educational experience. The camp will emphasize fun, interactive, hands-on type of experiential learning. Children will share in this enjoyable, interactive, and educational experience. Make plans to join us for a fun day of safety education on the farm!

Medical Release & Liability Waiver

I understand that:

- I understand that the camp and related activities will be provided in an environment where I give permission for campers to be in contact with equipment, machinery, and/or animals. I understand that the camp is provided in an environment where I give permission for campers to be in contact with equipment, machinery, and/or animals.
